Aquatera Utilities Inc. is seeking a partner for the processing and sale of its treated effluent from Aquatera’s Grande Prairie Wastewater Treatment Facility located at 5306 100 Street Grande Prairie, AB T8W 2R6.

Aquatera’s Grande Prairie Wastewater Treatment Facility is a municipal treatment facility which primarily serves the City of Grande Prairie. At this time, approximately 2.5 million litres per day

of treated effluent is available for further processing and sale for industrial purposes. The potential to increase the daily available volume exists and may be negotiated.

Aquatera owns land south of the Wastewater Treatment Facility along the treated effluent pipeline on the West side of 100th street that may be available to the successful proponent for a treatment and distribution site.

The successful proponent will be responsible for the capital investment to develop the site, including access, treatment process and distribution including all permitting and environmental approvals.

Established companies are invited to express their interest in partnering with Aquatera.

The following information should be included with the submission:

- Company name and contact information.
- Company Background (years in operation, ownership, staff size)
- Evidence of experience.
- Specialization or experience applicable to this operation.
- Treatment technology proposed and final quality parameters.
- Potential end uses for the final product.
- Financial ability to ensure successful completion from design to implementation.
- Willingness to enter into a non-compete clause with Aquatera.

Terms, Conditions and other Considerations:

- All cost and expenses incurred by Proponents relating to their Expression of Interest will be borne by them.
- Aquatera Utilities Inc. reserves the right to request new or additional information regarding each proponent and their submission.
- Proponents shall not issue any news releases or other public announcements pertaining to details of their Expression of Interest without the prior written approval of Aquatera Utilities Inc.
- Any and all Expressions of Interest shall become the property of Aquatera Utilities Inc. and shall not be returned. Proponents are advised that submission of an Expression of Interest gives rise to no contractual obligation on the part of Aquatera Utilities Inc. or the Proponent.
- All information related to this project and any additional information received from Aquatera Utilities Inc. related to this project must and will remain confidential.
