Kelly McLeod	Landowner Representative
Bob Beatie	Landowner Representative
Beryl Fried	Landowner
Irwin & Aggie Klassen	Landowner
Wes Murphy	Landowner Representative
Jack Menduk	NAIT

No written comments were received from the Open House.

Beryl Fried had a comment at the open house that some lands outside the service area would be beneficial if they were included in the service area. Due to topographic and capacity constraints these lands were not able to be accommodated by the 116<sup>th</sup> Trunk Sewer.

A majority of the attendee's were pleased to see Option 1 proceed as it would service more land to allow for future development.
