ABOUT US

Formed in 2014 with the support from the Northern Alberta Development Council, our coalition is open to all municipalities, commissions, First Nations and Metis settlements within the Northern Alberta Development Council (NADC) boundary. We are supported by expert water and wastewater professionals, operators, and various levels of government within the northern region.

Help ensure a strong future for northern water and wastewater management

MISSION

Find and implement northern solutions to water sourcing and challenges through:

- ▶ Advocacy
- ▶ Education and Awareness
- ▶ Recruitment, Training and Retention

VISION

The group seeks to ensure that sustainable water systems are available to every northern community

GUIDING PRINCIPLES

- ▶ Share information on water and wastewater regulations and responsibilities
- ▶ Work collaboratively with members and partners
- ▶ Identify emergent workforce needs
- ▶ Advocate for “made in the north” solutions and funding for training; education; recruitment and retention; and succession planning for municipal water and wastewater personnel

MEMBERSHIP

The WNC meets two times annually across the north. Eligible voting members include:

- ▶ First Nations
- ▶ Metis Settlements
- ▶ Northern Municipalities

Members are allotted one vote per community.

Non-voting members serve in an advisory capacity and include:

- ▶ Provincial and Federal Government
- ▶ Rural Water Co-ops, Owners and Operators
- ▶ Water and Wastewater Commissions and Professionals
